

flexible, transparent publishing deals

we do not charge any setup fees

we'll claim & collect your royalties

we'll register all of your live performances

we'll track your income, process your royalties and increase the value of your catalogue through sync, partnerships and collaborations with other songwriters

synchronisation

we work with sync agencies across the globe to place music in ads, TV shows, video games, films, and movie trailers

our music has featured on the following major TV shows; NCIS, Love Island, Hollyoaks, Vampire Diaries

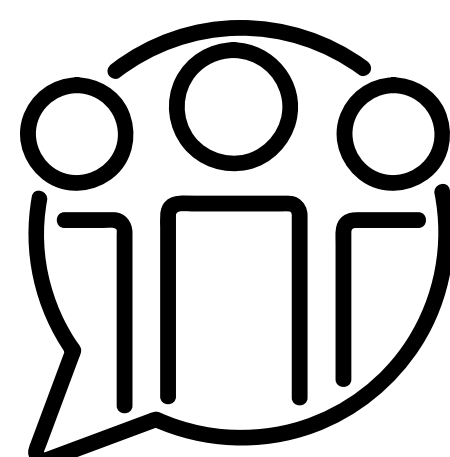

we've worked with brands including Apple, MTV, Jack Wills, Channel 5, Vodafone, BBC Radio 1 & 2, Boohoo & YouTube

creativity

we source the best songwriting and networking opportunities from around the world for our roster

we work collaboratively to pitch your songs to artists, secure co-writes with other songwriters, provide leads and briefs for upcoming projects, and much more
